Maddie,

It is hard to believe we have lived six years without you here with us. We all know you are in a glorious place – still, we would rather you were here. We miss your smile, spunk, competitiveness, sense of humor & your laugh. We are grateful your friends still write to us, post on your memorial page, and take items to the cemetery. So wish you knew Cale's son Kayson in person. Love, Mom & Mark, Dad, Allie, Jesse, Cale, Braden, Grams & Gramps, Lisa and Lexi
